

Information requirements for contracts in electronic commerce

In the case of contracts in electronic commerce, the entrepreneur must inform the customer (whether entrepreneur or consumer) in accordance with § 312i BGB in conjunction with Art. 246c EGBGB inform:

1.
about the individual technical steps that lead to the conclusion of a contract lead to the conclusion of the contract;
2.
whether the text of the contract is stored after the conclusion of the contract by the entrepreneur after the conclusion of the contract and whether it is accessible to the customer;
3.
about how he can use the technical means provided in accordance with § 312i para. 1 sentence 1 No. 1 BGB to correct input errors before they occur.
technical means available to the customer to identify and correct input errors and correct them before submitting the contractual declaration;
4.
about the languages available for the conclusion of the contract and
5.
about all relevant codes of conduct to which the entrepreneur the entrepreneur is subject to, as well as about the possibility of electronic access to these codes.
These individual requirements, concerning the contractual relationship with us, we may explain to you as follows:

To 1.

The items offered by KunstKontor on the Internet represent an offer for sale. offer for sale. Before bidding for the first time, you must register under "Log in | My account" and "Create new customer account".

Here you also define your user name and password. Thereby is for you by which information is absolutely necessary; the remaining information is not are absolutely necessary; the remaining information is voluntary.

At the end of your registration you have to confirm that you accept the under "Terms and Conditions" on our website:

General Terms and Conditions, Privacy Policy, Information Duties for Contracts in Electronic as well as the terms of delivery, the shipping notice and the shipping information and the revocation form and that you agree to these conditions.

If you would like to place a bid for an object, you can enter your maximum bid next to "My bid" you can enter your maximum bid, the maximum amount you would like to spend for the object and you would like to spend for the object and confirm it.

A contract is concluded - provided that you are the highest bidder - only by pressing "My bid".

Any other action in the browser, for example clicking the link "Back to object", cancels the bidding process.

This amount will be used only up to the amount which is necessary to outbid all other bids. Your maximum bid will be used only as much as it is necessary to beat all other bids. It is increased if any other bidder outbids it, then in each case in the following increments:

Lots with starting price up to 999,00 € in 50 € steps,
lots with starting price from 1.000,00 € in steps of 100 €,
lots with a starting price from 10.000,00 € in 500,00 € steps, up to the maximum maximum bid set by you.

Which amount this is currently, you can find under "My account" and there under "Auctions" under "Bids active".

Should you be the highest bidder at this moment, you will receive a direct feedback on the website at the corresponding artwork, as well as an email to the email address you provided, which confirms your confirming your successful bid, with the note: "Your bid of xx € has been successfully placed. The message will also inform you about the maximum the maximum bid you have placed.

If your bid does not reach the required minimum bid, you will receive a notice, right next to the artwork you are bidding on.

You can then increase your bid accordingly. If your bid was successful, but you were outbid, you will receive the notice directly on the auction page next to the artwork." Outbid". You will also receive an e-mail information about this. and you can check the current bid of your fellow bidder under "My account" and there under: "Auctions" "Bids active".

If you are the highest bidder at the end of the auction, the purchase contract is between you and the seller.

You will receive a message by e-mail with all further information about shipping and payment procedure. You can pay the invoice amount by bank transfer. If you want to pick up the object, you can inform us.

You have the choice to pick up the object in Wiesbaden by appointment. to pick up. If you pick up the object, you can also pay the invoice in cash.

to 2:

The contract text is not stored. You have the possibility to copy your bidding data and print it out for your records. The current status of your bids during the term of the auction under "My account" and there under "Auctions" at "Bids active".

to 3:

If you want to change your displayed data (username, billing address, i.e. your master data), you can do this at any time under "My account" at any time.

to 4:

The available languages for the conclusion of the contract are: German

to 5:

The provider has not subjected itself to any code. There are special information obligations in electronic commerce towards consumers according to § 312j Abs. 2 BGB i.V.m. Art. 246a § 1 para. 1 S. 1 No. 1, 4, 5, 11, 12 EGBGB (Introductory Act to the German Civil Code), which we meet by the following explanations:

1. offered goods / conclusion of the contract

The offered objects of art are used and are in a state of preservation a condition corresponding to their age and history.

Possible defects have been taken into account in the price.

The objects offered by KunstKontor on the Internet or in any other way represent offers for sale. The bidder makes a binding bid. The bid expires with the submission of an effective higher offer of another bidder or the bidder himself. The highest bid at the bidder at the time of the end of the auction shall be decisive for the conclusion of the purchase contract shall be decisive. The contract is concluded between the bidder (then buyer) and KunstKontor. The information on the items offered by the offered by the bidder are non-binding. The auction process, the order process and the conclusion of the contract in the case of an online purchase in the form of an Internet auction (e-commerce) are described in more detail above.

2. prices as well as delivery and shipping costs

The prices quoted include, insofar as owed, the statutory value added tax in their respective valid amount.

Possible customs fees for deliveries to countries outside Germany shall be borne by the buyer. Any fees incurred by payment by cash on delivery cash on delivery, the buyer has to bear.

The stated prices are within the EU including the costs for transport and packaging with the exception of the above-mentioned possibly incurred customs duties. For more details see "Conditions" and there shipping information on our website.

3. minimum term

There is no minimum term of the contract. The bidding commitment period is the duration of the Internet auction and the respective highest bid. determined. In the case of room auctions by the successful highest

highest bid.

We would like to point out that further information obligations based on other provisions shall remain unaffected and we shall inform you of them in the documents, such as the "Information Requirements for Distance Distance selling contracts" or the "Cancellation policy".
